**Safeguarding Adults Policy**

## Introduction

HDKI GB is committed to providing a safe environment for everyone to participate in our organisation and its activities. These procedures must be followed in any circumstances where an adult is at risk of harm.

The procedure should be implemented with reference to HDKI GB Safeguarding Adults Policy and supporting information.

This procedure details the steps to be taken in responding to any concern that an adult involved in HDKI GB, or its activities, is at risk of or is experiencing harm.

The procedures have two main sections:

Section 1: Reporting concerns- **For everyone**

Section 2: What happens next – **For Safeguarding Lead and organisational response**

The information is presented in flow charts with accompanying text. Please refer to both as the text contains more detail.

## **Section 1: Reporting Concerns (For everyone)**

### **Reporting Concerns About Yourself**

**If you are experiencing harm within HDKI GB contact Senior Safeguarding Officer – Daniel Broudie**

If you are in immediate danger or need immediate medical assistance contact the emergency services 999.

Please contact the Senior Safeguarding Officer – Daniel Broudie. If you would prefer, please contact another member of staff who will help you raise the issue to the Senior Safeguarding Officer.

If the Senior Safeguarding Officer or Welfare Officer is implicated or you think has a conflict of interest, then report to the HDKI GB Technical Director.

You can also contact the Police, Social Services, your doctor or other organisations that can provide information and give help and support (see Appendix 2 Other sources of support).

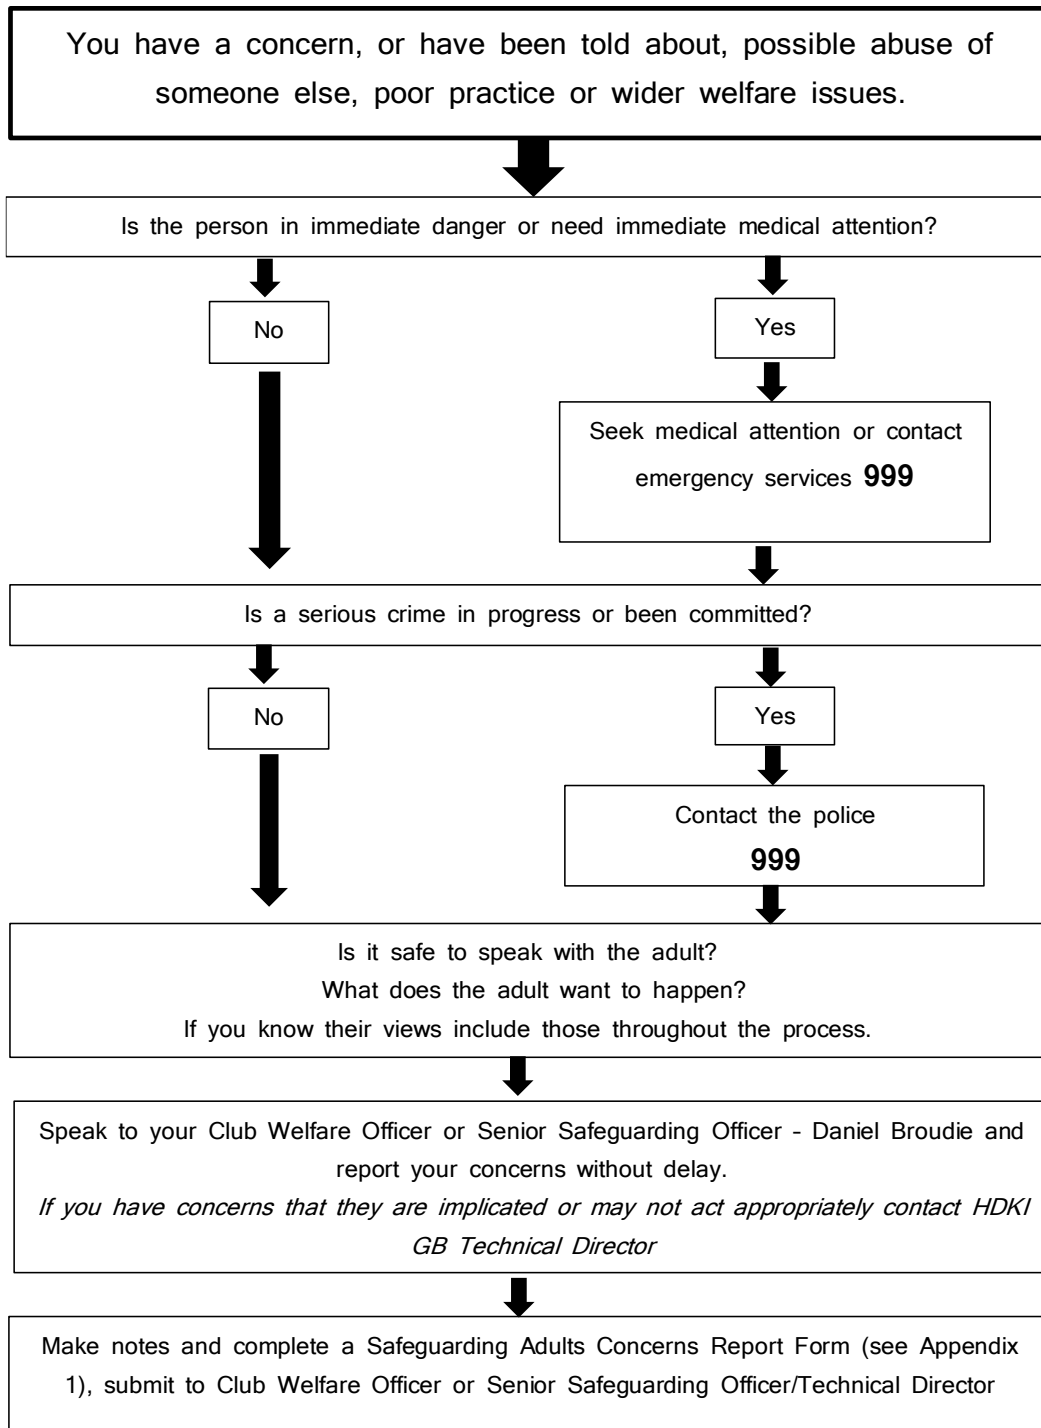

HDKI GB will follow the procedure in this document. If you do not think your concerns are being addressed in the way that they should be please contact the Technical Director or a member of the HDKI GB Committee.

At all stages you are welcome to have someone who you trust support you and help you to explain what happened and what you want to happen.

**It is of utmost importance to HDKI GB that you can take part in our activities safely and we will take every step to support you to do that.**

## Reporting Concerns About Others (Flowchart 1)

## Reports Concerns About Others

You may be concerned about harm to another person because of something you have seen or heard, information you have been told by others or because someone has confided in you about things that are happening or have happened to them.

**You should not keep safeguarding concerns to yourself. If you have concerns and/or you are told about possible or alleged abuse, poor practice or wider welfare issues you must contact HDKI GB Senior Safeguarding Officer or Club Welfare Officer as soon as you can.**

If the Senior Safeguarding Officer or Club Welfare Officer is implicated or you think has a conflict of interest, then report to the HDKI GB Technical Director.

**If you are concerned** about harm being caused to **someone else**, please follow the guidance below.

- It is not your responsibility to prove or decide whether an adult has been harmed or abused. It is however, everyone's responsibility to respond to and report concerns they have.
- If someone has a need for **immediate medical attention** call an ambulance on 999.
- If you are concerned someone is in **immediate danger** or a **serious crime** is being committed, contact the police on 999 straight away. Where you suspect that a crime is being committed, you must involve the police.
- Remember to be **person centred/make safeguarding personal**. If it will not put them or you at further risk, discuss your safeguarding concerns with the adult and ask them what they would like to happen next. Inform them that you have to pass on your concerns to your Safeguarding Lead or Welfare Officer. **Do not** contact the adult before talking to your Safeguarding Lead or Welfare Officer if the person allegedly causing the harm is likely to find out.

**Remember not to confront the person thought to be causing the harm.**

## Responding to a Direct Disclosure

If an adult indicates that they are being harmed or abused, or information is received which gives rise to concern, the person receiving the information should:

- Take it seriously
- Stay calm
- Listen carefully to what is said, allowing the adult to continue at their own pace
- Be sensitive
- Keep questions to a minimum, only ask questions if you need to identify/ clarify what the person is telling you
- Reassure the person that they have done the right thing in revealing the information
- Ask them what they would like to happen next
- Explain what you would like to do next
- Explain that you will have to share the information with HDKI GB Senior Safeguarding Officer or Club Welfare Officer
- Ask for their consent for the information to be shared outside the organisation
- Make an arrangement as to how you/the Safeguarding Lead can contact them safely
- Help them to contact other organisations for advice and support (e.g. Police, Domestic Abuse helpline, Victim Support – see Appendix 6)
- Act swiftly to report and carry out any relevant actions
- Record in writing what was said using the adult's own words as soon as possible.

It is important **not** to:

- Dismiss or ignore the concern
- Panic or allow shock or distaste to show
- Make negative comments about the alleged perpetrator

- Make assumptions or speculate
- Come to your own conclusions
- Probe for more information than is offered
- Promise to keep the information secret
- Make promises that cannot be kept
- Conduct an investigation of the case
- Confront the person thought to be causing harm
- Take sole responsibility
- Tell everyone

## **Record Keeping**

- Complete a Safeguarding Adults Report Form (see Appendix 1) and submit to HDKI GB Senior Safeguarding Officer or Club Welfare Officer without delay
- Describe the circumstances in which the concern came about and what action you took/ advice you gave
- It is important to distinguish between things that are facts, things that have been observed or over-heard and opinions, in order to ensure that information is as accurate as possible
- If someone has told you about the harm or abuse, use the words the person themselves used. If someone has written to you (including by email, message) include a copy with the form.

**Be mindful of the need to be confidential at all times.**

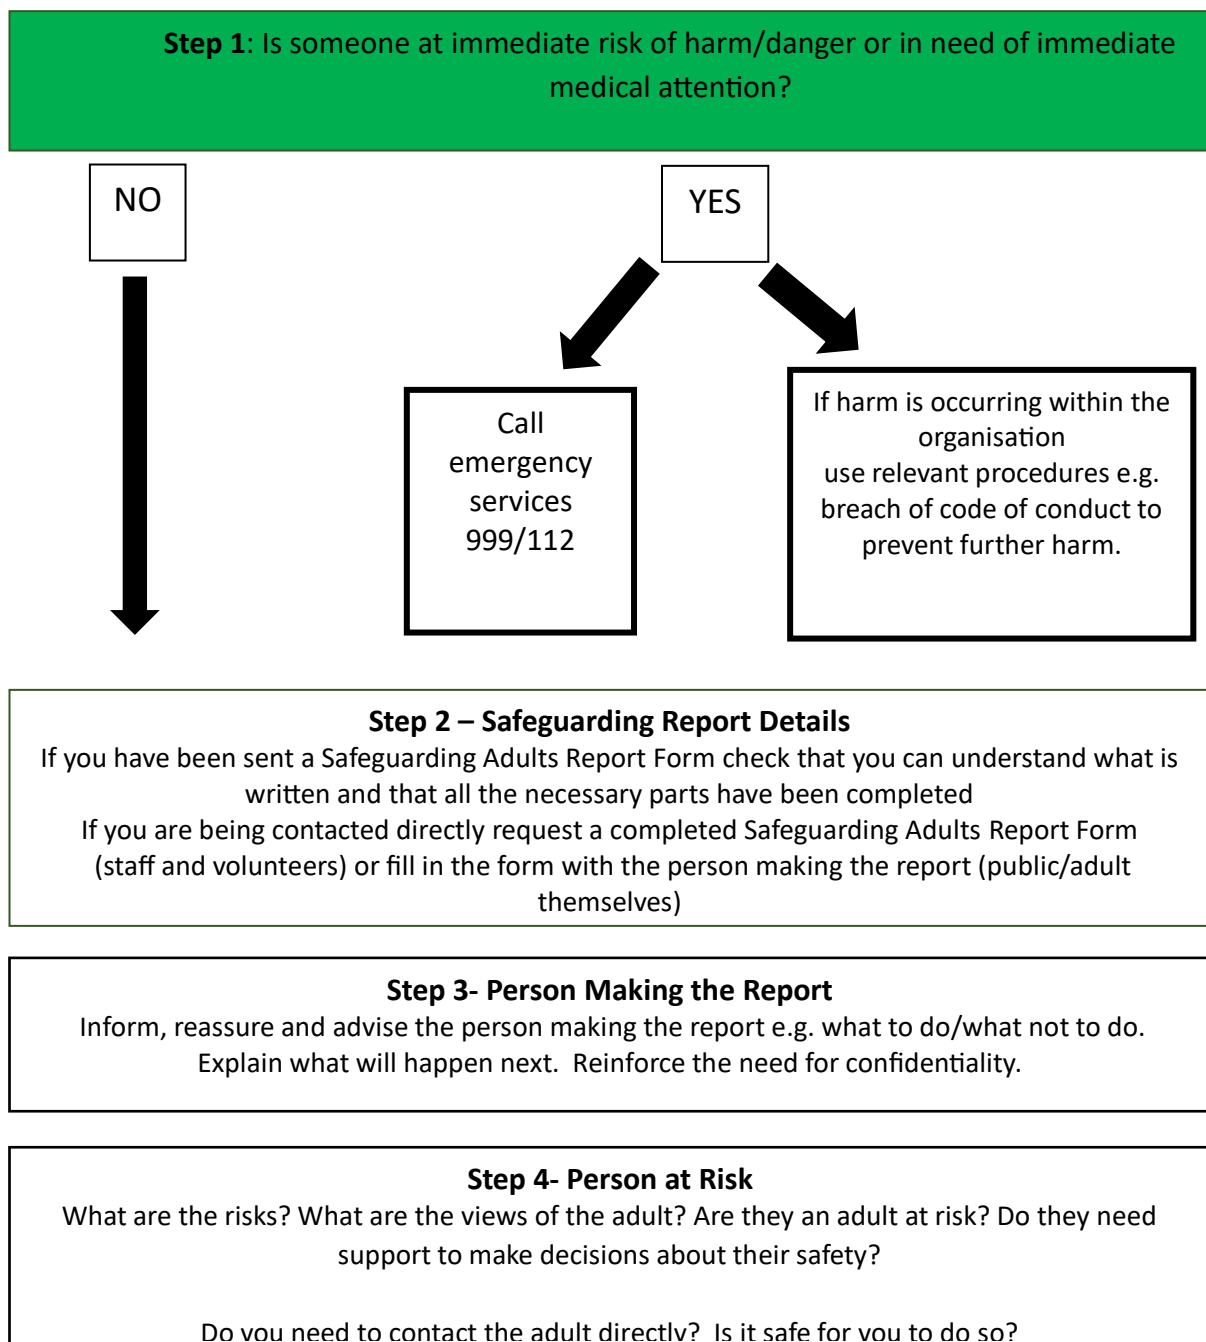

**This information must only be shared with your Safeguarding Lead or Welfare Officer and others that have a need to know – e.g. to keep the person safe whilst waiting for action to be taken.**

## Section 2: What happens next? (Senior Safeguarding Officer and organisational response)

### Procedure for Senior Safeguarding Officer

Steps 1-5 Initial response (as soon as you receive the Safeguarding referral)

### Step 5 – Person at Risk

If it is safe to do so - ensure the person at risk has information about what will happen next. Make sure they have been given information about other organisations that can support them (see Appendix 2).

## Steps 6-14 Taking Action

### Step 6 – Consult and Decide

As needed consult the Senior Safeguarding Officer, Local Authority/the Police and decide which one or more of the following actions need to be taken.

<p><b>Step 7</b></p> <p><b>If a serious crime is suspected contact the police</b></p>	<p><b>Step 8</b></p> <p><b>If you believe there is an 'adult at risk' make a safeguarding adults report to the Local Authority</b></p>	<p><b>Step 9</b></p> <p><b>If harm is suspected of being caused within HDKI GB</b> e.g. by an employee, contracted worker, volunteer or member report to relevant manager/s</p>	<p><b>Step 10</b></p> <p><b>Consult with and inform the adult</b></p>
<p>Criminal enquiry, investigation, proceedings</p>	<p>Safeguarding adults process led by Local Authority</p>	<p>Organisation takes <b>short term steps</b> within relevant policy to <b>prevent harm</b> e.g. suspend employee, coach, volunteer or member</p>	<p>Organisation decides who will maintain regular contact with the adult/s who have been at risk of harm</p>

### Step 11

Take advice from and **coordinate actions** taken by HDKI GB with those of **other agencies**. **Attend and contribute to Safeguarding Adults strategy meetings**

### Step 12

**Hold Case Management meeting** to coordinate actions by HDKI GB

<p><b>Possible outcomes: e.g.</b></p> <ul style="list-style-type: none"> <li>• Criminal Caution or Conviction</li> <li>• Police referral back to organisation</li> <li>• Referral to Independent Barring Board</li> <li>• Unsubstantiated – no further action</li> </ul>	<p><b>Possible outcomes e.g.</b></p> <ul style="list-style-type: none"> <li>• LA enquiries triggered</li> <li>• Adult supported to 'make safeguarding personal'</li> <li>• Other adults at risk identified</li> <li>• Multi-agency meetings to coordinate actions</li> <li>• New/changed care and support and protection plan for any adult at risk</li> <li>• NOT an adult at risk – information and advice provided</li> </ul>	<p><b>Possible outcomes: e.g.</b></p> <ul style="list-style-type: none"> <li>• Informal resolution</li> <li>• Education and training</li> <li>• Formal warning</li> <li>• Dismissal</li> <li>• Role conditions applied</li> <li>• Contract ended</li> <li>• Referred to Independent Barring Board</li> <li>• Unsubstantiated – no further action</li> </ul>	<p><b>Possible Outcomes: e.g.</b></p> <ul style="list-style-type: none"> <li>• Adult receives information about the process</li> <li>• Adult supported to have their views and experience heard</li> <li>• Adult supported to gain support from other agencies</li> <li>• Adult continues to participate in organisation/sport</li> </ul>

**Steps 13 and 14**  
 Recording and reporting  
 Ensure decisions made, actions taken, and outcomes logged and reported

Once a concern has been passed to HDKI GB Senior Safeguarding Officer, they will coordinate the HDKI GB Safeguarding Adults Policy (see Flowchart 2 below).

The Senior Safeguarding Officer will keep clear records of decision making, actions taken, and the outcomes achieved. They will also collect feedback from the adult.

The Senior Safeguarding Officer, where appropriate, in consultation with the Case Management Group, will take the following actions:

### Immediate Response

1. Ensure any **immediate actions** necessary to safeguard anyone at risk have been taken.

If the risk is said to be due to the behaviour of an instructor or other person involved in the organisation/activities use the relevant procedures (e.g. breach of code of conduct, preventing abuse in positions of trust or code of conduct staff etc) to prevent that person making contact with the adult being harmed.

2. If you have been sent a **Safeguarding Adults Report Form** check that you can understand what is written and that all the necessary parts have been completed.

If you are being contacted directly by an instructor or a volunteer request that they complete a Safeguarding Adults Report Form if they have not already done so (see Appendix 1) as soon as possible.

If the report is being made by the adult themselves or any other person fill in the safeguarding report form yourself gaining the details with the person contacting you.

3. Inform, reassure, and advise the **person making the report** e.g. what to do/what not to do. Explain what will happen next. Reinforce the need for confidentiality.
4. Consider what is known about the situation, what the risks are, what is known of **the views of the adult**, whether they have given their consent to the report being made and whether they might be considered to be an 'adult at risk'.

Find out whether the person making the report believes the adult has the mental capacity to make decisions about what safeguarding actions they want to be taken (they are not expected to assess this, only provide their opinion).

Decide if you need to **contact the adult** to get more information, determine their wishes, or explain what actions you need to take.

5. Ensure that the **adult has been given information** about the process and what will happen next. Ensure that they have been provided with information about other organisations that can support them (see Appendix 2).

**ONLY do this if you have a known safe way of contacting them.**

## Taking Action

In all situations you should ensure those in your organisation who can act (within their remit) to prevent further harm have the information to do so. This includes supporting the person at risk. Depending on the situation you may need to pass information to and work together with other organisations such as the Police and the Local Authority safeguarding team.

### 6. Consult and Decide

If necessary, consult with Senior Safeguarding Officer and with the Local Authority/the Police and decide which of the following actions need to be taken.

### 7. Contact the police (where the crime took place)

If:

- a serious crime has been committed
- a crime has been committed against someone without the mental capacity to contact the police themselves
- the adult has asked you to make a report to the Police on their behalf because they are unable to themselves.

### 8. Make a referral/report to the Local Authority Safeguarding Adults Team or Multi-Agency Safeguarding Hub (MASH) (where the adult lives) if you believe they may be an **adult at risk** AND

- the adult appears not to have the mental capacity to make decisions about their own safety and well-being
- the risk is from a person employed or volunteering in work with adults with care and support needs (including within a sports organisations)
- there are other 'adults at risk' (e.g. another family member, another club member or other people using a service)
- the adult at risk lives in Wales or Northern Ireland (no consent required)
- the adult at risk lives in England or Scotland and they have asked you to make a report or have given their informed consent to you making it

If a child is at risk you must also make a child safeguarding referral to the Local Authority. This includes all situations where there is domestic abuse within the household where the child lives.

**If you are unsure whether or not to make a referral/report you can ask for advice by contacting the Local Authority Safeguarding Adults Team/Multi-agency Safeguarding Hub and discuss the situation with them without disclosing the identity of the adult or the person who may be causing harm**

#### **9. Use policy and procedures to stop harm within the organisation**

If the person who may be causing harm is a person involved in HDKI GB in whatever capacity inform the Senior Safeguarding Officer.

Decide what policy and procedures the organisation will use to decide which actions will be taken e.g. breach of code of conduct, disciplinary procedures, dismissal.

Agree what short term arrangements can be put in place to enable the adult, who may be being harmed, to be able to continue participating in the organisation/their sport.

The arrangements made must respect the rights of the person who may be causing harm and must be consistent with the relevant policy and procedures.

#### **10. If statutory agencies are involved **work together** with them to agree the next steps. E.g. the Police may need to interview the perpetrator before a disciplinary investigation is conducted.**

Attend and contribute to any safeguarding adults strategy or case meetings that are called by the Local Authority.

If statutory agencies say that they will not be taking any action in relation to a referral this should not stop HDKI GB taking internal steps to safeguard the adult. E.g. the Police may decide

not to pursue a criminal investigation where there is an allegation against the perpetrator, but the organisation should still follow its disciplinary procedure.

- 11.** Decide who in the organisation will **maintain contact with the adult** to consult with them, keep them informed and make sure they are receiving the support they need.

Unless advised not to by the Police or Local Authority, and only if there is a safe way to do so, contact the adult to let them know about the actions you have taken and the outcomes so far. Find out if the actions taken are working, what matters to them, what they would like to happen next and what outcomes they want to achieve.

- 12.** Convene a **Case Management Group meeting** to coordinate actions internally to your organisation:
  - share information about what has happened with those within HDKI GB who have a role in safeguarding the adult
  - share the views of the adult
  - share any actions being taken by the Police/Local Authority
  - agree who will coordinate between HDKI GB and other agencies
  - decide what actions HDKI GB will take
  - coordinate action HDKI GB will take

These actions can include:

- Use of internal procedures such as breach of code of conduct/disciplinary procedures to address any behaviour that may have caused harm
- Reporting any employee or volunteer found to have caused harm to the Disclosure and Barring Service
- Communication with the adult about the safeguarding process, offering support to the adult and making any arrangements needed for them to continue their involvement with the organisation/sport
- Offering support to staff, volunteers and members affected by the circumstances
- Ensuring senior managers will be updated as needed

**13.** Case Management Group meeting must be **recorded** so that decision making is transparent, and actions agreed are followed. **Follow up meetings** should be held as necessary until the actions needed are complete.

**14.** Ensure **records are complete and stored securely**. Collate monitoring information, including feedback from the person who was at risk of harm.
